No residence shall be constructed with a straight line roof. Bonus Rooms do not count as square footage for the above square footage requirements.

4. Structures-Construction.

No building material of any kind or character shall be placed or stored upon the property until the owner is ready to commence construction of improvements, and then such material shall be placed within the property lines of the lot or parcel of land upon which the improvements are to be erected, and shall not be placed in the streets or between the curb and property line unless approved by the undersigned or their designee. The exterior of all improvements started on said land must be completed immediately. When construction of any structure is once begun, work thereon must be prosecuted diligently and must be completed within six (6) months. No building shall be occupied during the construction until substantially complete, nor shall any residence, when completed, be in any manner occupied until made to comply with the approved plans, the requirements herein, and all other covenants, conditions, reservations and restrictions herein set forth. Seventy-Five percent (75%) of outside finish material must be brick, stone or drivit.

5. Approval of Plans.

(a) For the purpose of further insuring the development of Willows Ridge as an area of high standards, the undersigned or their designee hereby reserves the right and power to approve the buildings, structures, and other improvements placed on each lot, which approval shall not be unreasonably withheld, as well as to make such exceptions to these Reservations and Restrictions as the undersigned or their designee shall deem necessary and proper.

(b) Whether or not provision therefor is specifically stated in any conveyance of a lot made by the undersigned or the successors or assign, the owner or occupant of each and every lot, by acceptance of title thereto or by taking possession thereof, covenants and agrees that no building, wall, or other structure shall be placed upon such lot unless and until the plans and specifications therefor and plot plan have been approved in writing by the undersigned or their designee. Each such building, wall, or structure shall be placed on the premises only in accordance with the plans and specifications and plot plan so approved. Refusal of approval of plans and specifications may be based on any reasonable ground, including purely aesthetic grounds which, in the sole discretion of the undersigned or their designee shall seem sufficient. No alteration in the exterior appearance of the buildings or structures shall be made without like approval. If the undersigned or their designee shall fail to approve or disapprove the plans and specifications within 30 days after written request therefor, then such approval shall not be required; provided that no building or other structure shall be erected which violates any of the Covenants herein contained.

6. Designee.

The undersigned may appoint one or more persons as their designee for purposes of passing on matters for which the undersigned are entitled to approve or disapprove as herein provided.

7. Subdivision and Addition of Lots.

Each lot, as shown on the recorded plat hereinbefore referred to constitutes a building site and no lot shall be divided into two building sites. Further, no building site shall be less in area than the area of the smallest lot shown on the recorded plat hereinbefore referred to. A single lot, together with a contiguous portion or portions of one or more lots in the same block may be used for one building site. No lot shall be subdivided except with the approval of the undersigned or their designee.

8. Setback Lines.

No building or any part thereof, including garages and porches, shall be erected on any lot closer than 40 feet to the front street line, or closer than 15 feet to either side lot line, or closer than 30 feet to the rear lot line (provided, however, that in the case of corner lots the setback from the side street line shall not be less than 40 feet). Where one and one-half, two, or more lots are acquired as a single building site, the side lot lines shall refer only to the lot lines bordering the adjoining property owners. Notwithstanding anything to the contrary herein, the undersigned or their designee shall have the right to permit reasonable modifications of the setback requirements where in the discretion of the undersigned strict enforcement of these setback provisions would work a hardship.

9. Fences, Walls, Outbuildings, Tanks, Garbage Cans and other Structures.

(a) No improvement or structure whatever, other than a single-family residence and appurtenant garage constructed in accordance with these restrictions, may be erected placed or maintained on any building site.

Materials for wall construction are restricted in accordance with paragraph 2 above. No boundary wall shall be constructed with a height of more than six feet and no boundary line hedge or shrubbery shall be permitted with a height of more than six feet.

(e) No wall of any height or for any purpose shall be constructed on any lot until after the height, type, design, and approximate location therefor shall have been approved in writing by the undersigned or their designee. The

heights or elevations of any wall shall be measured from the existing elevations of the property at or along the applicable points or lines. Any question as to such heights may be completely determined by the undersigned or their designee.

(f) No fence shall be constructed on any lot unless and until the plans and material have been approved by the undersigned or their designee in writing. Fences must be complimentary to the design and materials used in constructing the residence. In no event may fences be constructed of chain fabric or wire, in any configuration, nor may fence posts or rails be of non-decorative metal.

(g) All mailboxes must be uniform per developers choice.

10. Native Growth, Vegetation, Landscaping.

The native growth present on the lots shall not be permitted to be destroyed or removed except as approved in writing by the undersigned or their designee. Grass, and shrubbery on each lot, shall be mowed and trimmed at regular intervals so as to maintain a neat and attractive appearance. Trees, shrubs, vines and all other vegetation which die shall be promptly removed. If any lot owner shall fail to perform his/her obligation hereunder, the undersigned or their designee may cause the obligation to be performed and the owner of the lot shall be obligated to pay for the cost of such work and maintenance. In the event native growth is removed or injured in violation hereof, the owner shall replace same. Each home will be assessed one hundred (\$100.00) dollars at the first of each year for landscaping the Subdivision entrance and any other area deemed necessary by the Association. Said assessment will be prorated for the year during which the lot(s) is purchased, payable at closing.

11. Signs.

No billboards or advertising signs, or other advertising devices shall be erected, placed, permitted or maintained on any lot or improvement thereon, except as herein expressly permitted. One sign of not more than five (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sale period shall be permitted.

12. Nuisances.

Except as provided in Paragraph 13 below, no cattle, swine, goats, poultry or fowl shall be kept on any lot. No clotheslines or drying yards shall be permitted unless concealed by hedges, lattice work, concealment walls, or screening approved by the undersigned or their designee. No weeds, underbrush, or other unsightly growths shall be permitted to grow or remain upon the premises, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. In the event that any owner of any property in the Subdivision shall fail or refuse to keep such premises free from weeds, underbrush, or refuse piles or other unsightly growths or objects, then the undersigned or their designee may enter such lands and remove the same at the expenses of the owner and such entry shall not be deemed a trespass and in the event of such a removal a lien shall arise and be created in favor of the undersigned or their designee and against such lot for the full amount chargeable to such lot and such amount be due and payable within 30 days after the owner is billed therefor. No trash, ashes or other refuse may be thrown or dumped on any lot (whether vacant or not), street or right-of-way in the Subdivision. No thing, substance, material or

activity that will emit fowl or obnoxious odors, shall be allowed or kept upon any lot. This prohibition is not intended to prohibit factory standard on and off road four-wheel drive recreational vehicles.

13. Pets.

Dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for commercial purposes. In no event shall the number of household pets exceed two (2) of any species or three (3) all together. Pets shall not be allowed to roam free but shall be contained either inside the residence or in an outside enclosure approved by the undersigned or their designee. In no event shall pets be maintained in a garage unless approved by the undersigned or their designee, which approval may be revoked without notice.

14. Water Supply.

No individual water supply systems, including wells, shall be permitted.

15. Remedies for Violations-Invalidations.

For a violation or a breach of any of these Reservations and Restrictions by any person claiming by, through, or under the undersigned or their designee, and the lot owners, or any of them individually or severally, shall have the right to proceeds at law or in equity to compel compliance with the terms hereof or to prevent by injunction the violation or breach of any of them. In addition to the foregoing right, the undersigned or their designee shall have the right, whenever there shall have been built on any lot any structure which is in violation of these restrictions, to enter upon the property where such violation of these Reservations and Restrictions exists and summarily abate or remove the same at the expense of the owner, and any such entry and abatement or removal shall not be deemed a trespass. The failure promptly to enforce any of the Reservations and Restrictions shall not bar their enforcement. The invalidation of any one or more of the Reservations and Restrictions by any Court of competent jurisdiction in no wise shall affect any of the other Reservations and Restrictions, but they shall remain in full force and effect. In the event that the undersigned or their designee incurs any expense in the prevention, abatement, or removal of any violation of these reservations and restrictions, and/or incurs any expense in connection with the enforcement, at law or in equity of compliance with these reservations and restrictions, such expenses, including reasonable attorneys fees, shall be a lien in favor of the undersigned or their designee upon the Subdivision lot containing the violation or breach.

16. MEMBERSHIP IN HOMEOWNERS' ASSOCIATION

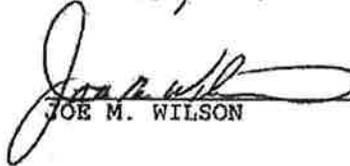

Every owner of a lot shall be a member of the Willows Ridge Homeowners' Association ("Association"), which shall be established upon the sale of all of the lots contained in the Subdivision. Membership shall be appurtenant to and may not be separated from ownership of any lot. Each lot owner

is deemed to covenant and agrees to pay to the Association the one hundred (\$100.00) dollar landscaping assessment annually as set forth in paragraph 10 hereof. This assessment, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which said assessment is made. Said assessment shall also be the personal obligation of the person or entity who is the owner of such property at the time said assessment falls due. Said assessment, if not paid within thirty (30) days after the due date, shall bear interest from the due date at the maximum rate permitted by law. The lien provided for herein shall be subordinate to the lien of any deed of trust at any time placed upon said property. The undersigned are specifically exempted from the payment of said assessment so long as they retain an ownership interest in any of the lots in Willows Ridge. The undersigned shall have full control of the application of the assessment fund until all of the lots in the Subdivision have been sold.

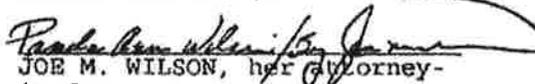

17. Effective Dates.

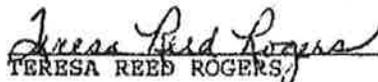

These restrictions shall be effective until January 1, 2014, and shall automatically be extended thereafter provided; however, that the owners of the majority of the square foot area of the lots in Willows Ridge may, after notice to all property owners therein, release any or all of the lots hereby restricted from any one or more of said restrictions, by executing and acknowledging an appropriate agreement or agreements in writing for such purpose, and filing the same of record in the Office of the Register of Deeds for Washington County, Tennessee.
